RIBBON CUTTING!

The grand opening for the El Dorado Branch of the Cedar County Library was held this afternoon. Distinguished guests included Cedar County Commissioner Don Boltinghouse, Cedar County Commissioner Ted Anderson, Presiding Commissioner Ken Thornton, State Representative Dane Diehl, State Senator Sandy Crawford, and Governor and First Lady Mike & Teresa Parson. There were many businesses from the El Dorado Springs Chamber of Commerce represented, along with library patrons.

The celebration today was the culmination of a long needed building project of a \$1.47 million library. Board members Kay Forest, Carol Butts, Kent Fortney, Larry Nottingham, and Carole Rickman were instrumental in the building project and led efforts to raise over \$623,000 from local donors towards the building project!

Thank you to everyone who supported the project and those who attended our celebration. The El Dorado Springs Library will serve the citizens of Cedar County for years to come and is something we can all be proud of.
