

Bidding specifications for landscaping/water drainage at the El Dorado Springs Branch of the Cedar County Library in El Dorado Springs, MO.

The Cedar County Library District is seeking bids for landscaping that will address runoff water issue at the El Dorado Springs Branch of the Cedar County Library in El Dorado Springs, MO.

Sealed bids will be accepted until 6 pm on Monday May 20, 2024. They will be opened by the board at the regular board meeting on Tuesday, May 21st at 1:00 pm at the El Dorado Springs of the Cedar County Library in El Dorado Springs, MO.

Parties interested in bidding can inspect the grounds at El Dorado Springs Branch of the library at 808 S. Main in El Dorado Springs, MO. Please return sealed bids to Cedar County Library District, 808 S. Main, El Dorado Springs, MO 65785 before the deadline. Bids may be emailed to shannon.snow@cedarcountylibrary.org.

The winning bidder will need to complete the job by July 1, 2024.

If you have any questions, please call 417-276-3413 and ask for Shannon Snow, Library Director. If any contractor would like to inspect the area and ask questions, please contact Shannon Snow at 417-276-3413 to set up an appointment.

All measurements given are approximate. Interested bidders can inspect the grounds for accurate measurements anytime during business hours. Bidding specifications are as follows:

Create surface drain on west side of building to address drainage

Grade area, install landscape fabric, gravel and seed & mulch

Address drainage on the east side of the building to control erosion by the drains underneath the sidewalk. Seed and mulch the area as needed.

The winning bidder will be responsible for cost of dirt, materials, and labor for the project.

The Cedar County Library District Board of Trustees reserve the right to reject any and all bids. Although price shall normally be a major consideration in all purchases, the library reserves the right to take such factors as durability, timeliness, availability, and operating cost into consideration when awarding the bid. Low bidders may be rejected where serious reservations about the quality or suitability of items or services exist.
